# ORDERMAN BELT PRINTER2

## The Orderman belt printer rounds out the system. The ultimate solution: compact, lightweight and robust. The Orderman network provides maximum reliability.

To ensure communication with guests is not interrupted, the belt printer can conveniently print bills, credit card and EC/ATM card receipts directly at guest tables. Guests benefit from continuous service and shorter wait times – which leaves more time for drinking, dining and enjoyment. Advantages for restaurant owners include more effi cient service, increased guest satisfaction, better table turnover and, best of all, more profit!
Benefit from these time-saving versions especially for your outdoor seating areas.

## PRODUCTHIGHLIGHTS

- Easy combination with all Orderman plus-handhelds (Leo2plus, Max, Max2plus, Sol+/MSR/NFC, NCR Orderman7+/MSR/SC)
- High printing speed of up to 90 mm/sec

# Why Orderman?

Orderman GmbH is part of the global NCR Corporation. With its premium products, the Salzburg-based company is the leading provider of technology solutions for the European hospitality industry. Handhelds, POS systems and services from Orderman are used worldwide in more than 35,000 restaurants. Innovative technology combined with a unique user experience and an emotionally strong design have made Orderman a global leader and a synonym for mobile technology in the hospitality industry. Every day some twenty additional restaurants choose Orderman systems. For additional information, go to http://www.orderman.com

## Optional accessories

**CHARGING STATION**
This optional charging station allows the replacement battery to charge while the printer is in use. Charging lasts approx. 2.5 hours per lithium ion battery (battery not included in delivery scope).

**4-UNIT CHARGING STATION**
The 4-unit charging station offers you the option of charging four batteries at once. To save space, you can easily install the charging station on a wall using the special wall mount (optionally available).

**REPLACEMENT BATTERY**
With the replacement battery you ensure that the Orderman belt printer is always ready for use.
